For Paraffin Samples	Cost	Quantity
VIP processing of tissue(dehydration, vacuum, Infiltration), per cassette	\$5.00	
Embedding tissue in paraffin without processing or sectioning per block	\$0.20	
Hard tissue paraffin projects (fixation, processing, embedding, and cutting) with one H&E, per block	\$15.00	
Additional H&E, per slide	\$2.00	
Microwave rapid decalcification, per block	\$10.00	
Microwave passive decalcification, per block	\$5.00	
Serial sections (hard tissue) with six H&E, per block	\$30.00	
Soft tissue paraffin projects (fixation, processing, embedding, and cutting) with one H&E slide, per block	\$10.00	
Additional H&E, per slide	\$2.00	
Serial sections (soft tissue) with six H&E, per block	\$25.00	
H&E re-cuts, per slide (already processed, just cut and stained)	\$2.00	
Re-cuts (not stained, for immunos)	\$1.50	
H&E staining, per slide(slides not cut by histology laboratory (HSC-BCD)	\$0.50	
Special stains (Attwood, Gram, PAS, PAP), per slide	\$20.00	
Additional Extramural projects or charge, per block	\$40.00	
For Methyl Methacrylate Samples		
MMA sample with one Stevenel's Blue Stain, per block	\$30.00	
Extra-large MMA sample (greater than 1centimeters In diameter) with one Stevenel's Blue Stain, per block	\$55.00	
Each additional Stevenel's Blue stained MMA section	\$20.00	
Additional Extramural projects labor charge per block	\$57.00	
Hard tissue cut without processing and no polishing per slice	\$5.00	
	TOTAL CHARGES.....	

For special inquires and fees, please contact Mrs. Connie Tillberg:
